What to expect at Yabacon Meet

Yabacon Meet is an annual event organized by the Yabacon community, bringing together tech professionals, industry leaders, and innovators from across Africa. The event focuses on discussing critical issues, sharing knowledge, and fostering collaboration within the tech ecosystem.

Since our very first meetup in 2022, Yabacon has inspired over 5,000 technology professionals and enthusiasts across Nigeria.

What to expect at Yabacon Meet

Expert Presentations: Industry leaders and local experts will deliver talks on globally recognized tooling and best practices in software development, open-source for career development, and the role of AI in an ever evolving business landscape.

The Agora: Our panel discussion, ***Innovation Against the Odds: Turning Challenges into Opportunities***, will explore how to transform the adversity we face as Nigerians into a springboard for creativity and success.

AMA (Ask-Me-Anything) Sessions: You'll have the opportunity to ask seasoned professionals about career development strategies, navigating emerging technologies, building scalable systems, and much more.
